

FOREST LANDOWNERS OF CALIFORNIA

PRESENTS A FAMILY FIELD DAY

Saturday, July 19, 2008

Middlebrook's Tree Farm & Lucero Vineyard & Winery, and Forestlands Dobbins, Yuba County

When and Where: 9:30 a.m. Meet at Middlebrook Tree Farm near Dobbins.

Directions: From Marysville go 12 miles east on Hwy 20 and turn left (north) on Marysville Road near Browns Valley. Follow road signs to Dobbins (about 20 miles). After passing under a green pedestrian over-crossing, proceed 1.4 miles past Dobbins up the hill to 10874 Marysville Road, the Middlebrook driveway. Travel down the 0.9 mi drive to ranch house where we will start the tour. John says we will need to consolidate into 4WD vehicles for the tour. It is requested participants indicate on the registration form if you can bring your 4WD. It would be wise to wear long sleeve shirts and pants because you are in poison oak country.

What: (1) Middlebrook Tree Farm is a 428-acre parcel located near Dobbins. It's been in the Middlebrook Family since 1941. Emphasis will be on the virtually completed 2.25 mile Shaded Fuel Break, various construction methods, and vegetation management with herbicides. (2) At 12:30 p.m. the group will leave Middlebrooks for the short (3 mi) drive to Lucero Vineyard & Winery and forestlands where a hot lunch will be served. Following lunch Dan and Marian Lucero will direct a short walking tour of the Lucero 87 acre forest and vineyard property followed by a winery tour. At the end of the field day (approx 3:00 pm) the tasting room will be opened.

Fee: \$15 per each adult. Children 12 year and under are free.

*Up to 4 self-contained RV's can be parked at
Middlebrook's and 4 more at Lucero's at no cost.
Let Melinda know ahead of time.*

This field day is being held in conjunction with the AMERICAN TREE FARM membership.

REGISTRATION FORM Middlebrook/Lucero Field-day July 19th
