SILENT AUCTION

Fundraising during our Annual Meeting has been critical for reaching FLC's annual budgetary goals. During last year's Annual Meeting, we launched a first-ever online silent auction. It was very successful! Once again, we are using the online program named "Better Unite." As you may recall this platform supports mobile bidding so that we can all voluntarily participate and enjoy the similar sort of fund raising entertainment from the comfort of our homes. Bidders will receive real time scoreboard results to track auction items and their bidding results. To contribute your item to the silent auction, we have an online form for you to complete and submit (see link within "Submit Your Silent Auction Item." We will email details about how to use the online silent auction platform once items are loaded and ready for bidding. The silent auction bidding link will be available on FLC's website.

We hope that our members and public guests participate generously to make this year's silent auction successful. For our members who are not using computers, we hope that you will get together with another family member or FLC member to participate in FLC's Annual Meeting and silent auction.

SUBMIT YOUR SILENT AUCTION ITEM DESCRIPTION

Below are some ideas for your consideration in contributing silent auction items:

- A stay at your vacation home or property, for now or "The Time After." Consider submitting a photo (optional) with your description.
- Commit to making a brunch or dinner for 4 or 6 at your home.
- Donate your season tickets (sports, symphony, concert series, etc.) for one sports event or performance, online or actual.
- A learning experience: show someone how you do burn piles, pre-commercial thinning, or another forest management activity.
- Donate a gift certificate good for any of the stores you use and love...online or brick-and-mortar.

Below is the link to the form for submitting silent auction items.

In short, let's see how much fun we can have, and support Forest Landowners of California, within our current limitations.

Last year's silent auction was very successful!

We thank you in advance for your continued support.
