Membership Information

Advance sustainable, science-based management practices to **ENHANCE** and **ENSURE** long-term productivity and beauty of California's private forestlands

OUR MISSION

Forest Landowners of California promotes, preserves, and protects family forests in California along with the rights and rewards of caring ownership and stewardship of family forests.

OUR VISION

Forest Landowners of California has a vision of healthy, vigorous, satisfying, and profitably productive working forests in California and enjoying abundant public approval for it.

Healthy, vigorous, and productive working forests are:

- actively managed to maximize forest growth;
- actively protected against fire, insects, and disease;
- dynamic and bio-diverse ecosystems that achieve the individual objectives of the landowner including, if desired, family ownership succession and on-site residency.

A healthy forest will also protect and enhance the public benefits, such as air and water quality, wildlife, wood products, and jobs.

OUR COMMITMENT TO MEMBERS
